

The Singular Voice of Being: John Duns Scotus, Ultimate Difference, and the Univocity of Being

Table of Contents

Introduction: Solomon's Difficulty

Prologue

I.1: To Cut Being at Its Joints

I.2: The Inadequacy of Thought and Language

I.3: Vain Repetition and the Division of Being

I.4: On What Follows

I.5: On Why It Matters

Part I: Being and Ultimate Difference

Chapter 1: Being Is Said in Many Ways

1.1: Univocity, Equivocity, Analogy

1.2: The Univocity of Being

1.3: Aquinas and Henry on Analogy

1.4: Why Univocity?

1.5: Thales's Mistake

Chapter 2: The Real Concept of Being

2.1 Real Concepts

2.2: Transcendental *Quid* and *Qualia*

2.3: The Double Primacy of Being

2.4: How does Scotus solve the problems of univocity?

2.5: Putting the world back together too soon!

Chapter 3: Ultimate Difference

3.1: Ultimate Differences

3.2: Characteristics of Ultimate Difference

3.3: Extra-Categorical Difference

3.4: The Ground of Primary Diversity

3.5: Termination of Quidditative Orders

Part II: Regions of Ultimate Difference

Chapter 4: The First Cut--The Intrinsic Modes of Being

4.1: Intrinsic Modes and the Modal Distinction

4.2: The Intrinsic Modes of Being

4.3: Transcendental Magnitude

4.4: Infinite and Finite Magnitudes

4.5: Non-Additive Intensity

Chapter 5: Ultimate Specific Differences

5.1: The Formal Distinction

5.2: Ultimate vs. Non-Ultimate Specific Differences

- 5.3: Scotus's Innovation
- 5.4: Real Community Prior to the One and Many
- 5.5 A Dust-Cloud of Differences?

Chapter 6: *Haecceitas*, or Naked Singularity

- 6.1: What Must Individuation Explain?
- 6.2: Matter as the Principle of Individuation
- 6.3: What Else Is (Not) the Principle of Individuation?
- 6.4: *Haecceitas* as Ultimate Individual Difference
- 6.5: The Threefold Comparison to Ultimate Specific Differences
- 6.6: Bare Particularity vs. Naked Singularity

Conclusion: I Wouldn't Know Him from Adam

- C.1: The Intelligibility of *Haecceitas*
- C.2: *De Re* Volitional States
- C.3: Solomon's Difficulty?
